COVID DISCLAIMER: While we all anxiously await the return of bike racing, we are also cautious about moving too quickly to schedule events. We are starting with timed events in May and slowly adding mass start racing. We will use online registration for every event. As always, we are closely monitoring the public health situation and abiding by local, state, and federal guidelines and best practices, and we reserve the right to close the facility at any time and will share updates on our website and social media channels. **Distancing and good hygiene will be practiced as much as possible; please do your part, and do not come to the Cycloplex if you are ill.**
